

Students Testimonials

I am really pleased to be at Randwick Girls High School. Learning is so much fun and teachers are so caring. My teachers and friends supported me a lot. I will always remember the great times I had in this school.

There is a great diversity of different cultural backgrounds in this school. In the racial harmony day, held every two years, we can see and 'feel' the multiculturalism in Australia. I think Randwick Girls' is a great place for overseas students to study and have fun.

Mari. W. Year 11, Japan.
