SPORT

Sport at Randwick Girls High School is a compulsory and important part of the school's curriculum, supplying valuable learning experiences, physically, emotionally and socially, to all students within the school. It is not considered any different to any other subject in the school and is therefore organised in keeping with all the policies of the school, including the discipline system. At all times sport is organised with the student's ability, safety and educational welfare in mind. Sport at Randwick Girls High School is divided into 5 distinct areas.

Weekly Sport is compulsory for all Year 7-10 students and is conducted every Wednesday afternoon from 1.15pm - 2.35pm. (some sports may start earlier due to facility and travel arrangements). Students are expected to wear the school's Sports/P.E. Uniform each week during sport, and at Randwick Girls HS all students are permitted to wear their Sports/P.E. Uniform to school each Wednesday.

Sports/P.E. Uniform

* Black – school shorts (“RG” logo), netball skirt or school tracksuit
  * School PE/Sport Polo-Shirt (inc. “School Crest”)
  * School Tracksuit (optional)
  * Sports / Training Shoes

Sports, which include Soccer/Football, Basketball, Volleyball, OzTag, Tennis, Table Tennis, Badminton, Walking, Weight Training, Aerobics, Yoga & Cycling, are held at both school and at local sporting venues. Many of these sports have an organised competition component, and games are often organised against other local schools. Students are expected to find their own way to outside venues and are dismissed from them no earlier than 2.35pm. Some recreational sports attract fees, and these are to be paid either term-to-term or each week before participating.

During Term 1, all Year 7 students compete in a variety of sporting activities, before competing against other local high schools during a Gala Sports Day.
Swimming, Cross Country & Athletics Carnivals are compulsory for all students and are held at various locations. Hired buses, with teacher supervision, are available for students who need organised transport to attend all carnivals.

There are events for all age groups, and students are encouraged to participate as a Sports House competition is held at each carnival, with the most successful "House" at the three carnivals being awarded the prestigious “Champion House Trophy.”

Students who are successful at the school carnivals have the opportunity to represent the school at Eastern Suburbs Zone, Sydney Area East and NSW CHS levels.

Sporting Knock-Outs are held against other schools in competitions run by the NSW Combined High Schools organisation. Teams are specially selected to compete in knock-out games that can be held before, during or after school. Information concerning these activities is distributed to participating students at the relevant times.

Sporting Trials are opportunities for elite sportswomen to be selected to represent the Sydney East Area, and possibly NSW Combined High Schools, in state & national sporting competitions. Trials are held for most sporting activities, at various times throughout the year.

Gifted & Talented Athlete Program allows students who excel in specific sports to access additional coaching at school. Currently the program supports students in Football (Soccer), Netball, Basketball, Touch and Track & Field.
